VII. HOW DO I SCHEDULE ON-CAMPUS INTERVIEWS AROUND CAREER DAY?

Next day interviews – 1st interview room / space reservation is free with career fair registration but must be reserved at registration time. These are first come, first serve, mainly placed in common interview area. Private rooms are very limited and after they are filled there will be a waiting list. For additional room reservation on September 13th (only) there may be a small charge. Fees for interviews will be announced by Aug. 30. To schedule your interviews during this time, or later in the semester, contact Debbie Behnfield at 303-273-3253 or dbehnfie@mines.edu. We will be advertising these in the event program guide.

VIII. HOW DO I SCHEDULE INFORMATION SESSIONS AROUND CAREER DAY?

Career Day participants have the option to schedule information sessions during this week, or later in the semester. Request through DiggerNet when posting job opportunities or contact Debbie Behnfield at 303-273-3253 or dbehnfie@mines.edu. We will be advertising these in the event program guide.

IX. HOW DO I MAKE A PAYMENT?

Payment is due within 30 days after registration or two weeks prior to the event (whichever comes first), unless written arrangements have been made with the Career Center. Send checks to “Career Day”, Mines Career Center, 1200 16th Street #E180, Golden, CO 80401. You will receive an email when Mines actually receives your payment. For questions on invoices, contact Jane Cain, 303-273-3233 or lcain@mines.edu.

X. WHAT ARE THE DEADLINES?

- Registration will open May 22, 2017 until the event fills up, at which time it will be closed and companies will be placed on a wait list.
- The deadline for the Mines Career Day Program Guide information and ad copy is July 31, 2017. Please email ads to jeanmann@mines.edu. Companies who register after July 31st **may not** be included in the bound copy of the Mines Career Day Program Guide, **but will be included in the Mines Career Day Program Guide Addendums**, as well as the copy posted on the Mines Career Center website.
- Mines Career Day is a very popular event and fills up quickly. When this occurs a wait list is started. If a registered company cancels, the other organizations on the wait list will need ample notice to make the necessary travel and/or recruiting arrangements. Companies are considered registered upon registration (whether paid or not). Cancellations must be in writing. In the event of cancellation:
 - a. Refunds may be given if requested in writing by the aforementioned program guide deadline. However, due to the administrative and financial costs associated with Career Day registration, a \$50.00 processing fee will be retained or charged by Mines if cancelled after 30 days and /or prior to program guide deadline.
 - b. If the company cancels after the aforementioned program guide deadline (whether paid or not), additional costs are incurred by the college and only a partial (50%) refund or 50% charge will be

incurred by the company. However, there would not be a refund or a 100% charge on any display ad that was printed.

- c. If the cancellation is less than 10 days prior to the event, we may not be able to fill the reserved space, in which case the full registration fee is non-refundable.
- d. If the company is confirmed, but has not paid, they would be billed for the aforementioned charges incurred.

XI. WHERE DO I PARK ON CAMPUS?

Important...we have 4 designated visitor parking lots for the Career Day recruiters on campus. Five (5) large courtesy event buses will be driving through the parking lots from 7:00 AM – 5:00 PM to assist employers. Event staff will be on board to assist you. We will have additional parking staff at the lots and event center to help you with directions. Career Day is a special event, so you will have a special parking pass to place on your dash that day, instead of using the normal parking code provided by the Career Center. This (and the event parking map) is on your original confirmation/invoice as well as located on the bottom of your email. The pass should be emailed to and printed by all recruiters for you company. If you have any questions, please feel free to contact Jean Manning-Clark at 303-327-3239 or jeanmann@mines.edu.

XII. IF I AM BRINGING MATERIALS, WHERE IS THE BEST PLACE TO UNLOAD THESE?

For unloading and loading purposes, you may pull in temporarily on the Northwest side of the Student Recreation Center or load lighter carryon items on the buses (refer to campus map), near 17th and Elm. Loading zones will have volunteers from student organizations and Career Day staff available for assistance. You can also set up your booth on the Monday prior to the event.
