For more information, contact Jean Manning-Clark at 303-273-3239 or jeanmar@mines.edu.

### 2013-14 On-Campus Interviews and Information Sessions

- **Fall 2013 Recruiting:** Reservations of Next Day and Open Sign-up Interviews are from Career Day to September 20th. This is followed by the Pre-select Process, making resume review, candidate selection and scheduling easy for employers and students.
- **Spring 2014 Recruiting:** Next Day reservations are available on February 12th – 14th, followed by the Pre-select Process for the rest of the season.
- **Information Sessions:** Many companies use these meetings to kick off their on-campus interviewing event. Information sessions provide a convenient way of presenting information to students who have been selected for interviews. It also provides a way to informally recruit other interested students and fill any vacant slots on the interview schedule.

To schedule on-campus interviews and/or info sessions, please contact Debbie Behnfield at 303-273-3253 or dbehnfie@mines.edu.

### Recruiting Online with DiggerNet

To enhance every Mines recruiting strategy (career fairs, presentations, information sessions, etc.), make sure that you are using **DiggerNet**, the free, user-friendly, online recruiting tool and job bank. **DiggerNet** provides the applicants YOU want with an effective way for the students to research who you are and what you do. Access **DiggerNet** at [http://diggernet.net](http://diggernet.net) and click on the Employer tab.

- If you are already a DiggerNet member, enter your Username and Password.
- If you are new to our system, please use the “Click Here to Register” button and follow the online instructions.

### The Top 3 Reasons Why You Should Use DiggerNet.....

1. It’s fast and easy to use.
2. The system is proactive; electronically contacting students and graduates about your company, job postings and events.
3. Brand your company with logos, photos, and videos for the students to see.
