**MISSION & VALUES**

Since Goodyear's founding in 1898, our standard for success has been based on a commitment to continuous improvement and innovation.

We've since grown into one of the world's largest tire companies, with one of the most recognized brand names. We employ about 66,000 associates in locations around the world—all working hard to deliver the highest quality in everything that we do.

It starts with the way we conduct our business.
